

SHARE YOUR PANDEMIC HISTORY

Students in the History Department are conducting oral history interviews with students, faculty, and staff who wish to share their memories and experiences of the COVID-19 pandemic at Notre Dame.

Help us document this historic event by sharing your story, which will be preserved in an official collection in University Archives. Remote and in-person interview opportunities are available throughout the summer and fall semester of 2022.

**Interested in sharing
your experience of
COVID on campus?**

To schedule an interview or to learn more, scan the QR code above or email Project Coordinator Anna Holdorf (aholdorf@nd.edu).
